

ACCEPTABLE USE AGREEMENT

When I use technology, both at school and at home I have responsibilities and rules to follow. I agree to:

- be a safe user whenever and wherever I use that technology.
- be responsible whenever and wherever I use technology and support others by being respectful in how I talk to and work with them and never write or participate in online bullying. This includes forwarding messages and supporting others in harmful, inappropriate or hurtful online behaviour.
- report to an adult if I feel unsafe or uncomfortable online or see a friend being unsafe or being made to feel uncomfortable by others.

When at school I agree to:

- behave in a way outlined in the schools' Code of Conduct when online.
- keep myself and my friends safe by not giving out personal details including full names, telephone numbers, addresses and images and protecting my password
- use the technology at school for learning, use the equipment properly and not interfere with the work or data of another student
- not bring or download unauthorised programs or files
- not go looking for rude or offensive sites
- remember that the content on the web is someone's property and ask my teacher / parent to help me get permission if I want to use information or pictures
- think carefully about what I read on the Internet, question if it is from a reliable source and use the information to help me answer any questions (I should not just copy and paste the information as my answer).
- talk to my teacher or another adult if:
 - o I need help online
 - o I am not sure what I should be doing on the internet
 - o I come across sites which are not suitable
 - o someone writes something I don't like, or makes me and my friends feel uncomfortable or asks me to provide information that I know is private
 - o I feel that the welfare of other students at the school are being threatened

This Acceptable Use Policy also applies to students during school excursions, camps and extra-curricular activities.

I acknowledge and agree to follow these rules. I understand that my access to the Internet and mobile technology at school will be renegotiated if I do not act responsibly.
