- advising parents/carers of homework expectations at the beginning of the school year and providing them with a copy of the homework policy

- encouraging parents/carers of early primary school aged children to read to and with their children for enjoyment

Teachers at Example School will:

- equip students with the skills to solve problems
- encourage real-life problem solving, logical thinking, creativity and imagination
- set varied, challenging and meaningful tasks related to class work to suit the students' learning needs
- give students enough time to complete homework, considering home obligations and extracurricular activities
- assess homework and provide timely and practical feedback and support
- help students develop organisational and time-management skills
- ensure parents/carers are aware of the school's homework policy
- develop strategies within the school to support parents and carers becoming active partners in homework
- offer a wide range of opportunities for families to engage in their children.

It is expected that students will take responsibility for their own learning by:

- being aware of the school's homework policy
- discussing with their parents/carers homework expectations
- accepting responsibility for the completion of homework tasks within set time frames
- following up on comments made by teachers
- seeking assistance when difficulties arise
- organising their time to manage home obligations, participation in physical activity and sports, recreational and cultural activities and part-time employment.

It is expected that parents/carers will support their children by:

- developing a positive and productive approach to homework
- ensuring there is a balance between the time spent on homework and recreational activities
- reading to them, talking with them and involving them in learning opportunities during everyday household routines and physical activity
- talking to teachers about any concerns they have about the homework
- attending the school events, productions or displays their child is involved in
- discussing homework with their child in their first language, if English is not the main language spoken at home, and linking it to previous experiences
- linking homework and other learning activities to the families' culture, history and language, linking with relevant services, clubs, associations and community
- ensuring there is a quiet study area for students to complete their homework tasks.
