## Our school's Poems

### **Our Special Place** by Bridie

All together  
Heat, hot and burning  
Running across the boiling sand  
My toes hit the cold water  
Sun beaming down on me  
Waves crash against the rocks  
Clean fresh salty air  
Diving into the freezing blue sea  
Sitting and relaxing  
The ocean washing up over my feet  
Big waves being ridden  
Seagulls squawking around me  
Dad bowls, mum hits, we run after it  
The smell of sunscreen  
Sounds of the calming waves  
A cool breeze passes me then it's gone  
Our Special Place

### **Harley Davidson** by Viper

Big and loud bangs  
Metal smashing against metal  
Is he trying to fix me or destroy me?  
Tools, rusting, rotting  
An oil stench is everywhere  
My tank is empty, needs filling  
Other motorcycle's engines are roaring down the road  
Crash, a horrible smoky smell  
Bad mix of oil and smoke  
A loud siren noise approaches the shed with speed  
I'm scared  
Am I ever going to feel free?  
Am I ever going to get ridden again?  
Almost dead and left wondering

### **Sugar Heaven** by Zoe

Twinkles in the sky  
It's pitch black in my room  
Morning  
The smell of sugar  
Peppermint, strawberry, cola and chocolate  
Outside  
Lots of lollies  
Gigantic lollypop trees – all colours of the rainbow  
Chocolate rocks  
Liquorice strap fences  
MnM roses  
Fairy floss clouds  
I am ecstatic

### **The computer chair** by Aiden

Afternoon sun shines in through the open window  
A girl's gentle footsteps  
Computer, black screen in front of me on the wooden desk  
A light weight softly sits  
Her perfume, the scent of roses being watered  
Computer keys slowly clicking  
Talking to herself, words from her mind, editing to improve hmmm.  
Blank paper, waiting for the printer  
Vvvrrr,vvrrr, scanning and beeping, click  
Her hands pick up the paper  
She nods and smiles  
The door closes quietly  
Relaxed and alone
