Monday 13th July 2020

Dear Parents & Friends,

Welcome to Term 3. We will be abiding by strict covid19 health guidelines to ensure that we can keep Carlisle River P.S Covid19 free.

The Importance of Reading **Improves memory**

Every time you read a book, you have to remember the setting of the book, the characters, their backgrounds, their history, their personalities, the sub-plots and so much more. As your brain learns to remember all this, your memory becomes better. What's more, with every new memory you create, you create new pathways and this strengthens the existing ones. Useless information ☺

12. Cats have over one hundred vocal sounds – dogs have about 10
13. There are only three animals with blue tongues – the black bear, the chow chow dog & the blue tongue lizard
14. Our eyes are always the same size from birth, but our nose and ears never stop growing!

More next newsletter

Please note- the snow trip planned for August has been cancelled due to Covid19 restrictions.

Happy Birthday to Amos (2nd July)

Have a great week
Mr Jeff Douma

Reduce your risk of COVID-19

Clean your hands often

Cough or sneeze in your bent elbow – not your hands!

Avoid touching your eyes, nose and mouth

Limit social gatherings and time spent in crowded places

Avoid close contact with someone who is sick

Clean and disinfect frequently touched objects and surfaces
