Tuesday 21st July 2020

Dear Parents & Friends,

Covid19 is now in Colac and time of print, there were 19 infected people (all linked to the Colac Abattoirs). We cannot be complacent, and must do our best to stop the spread! Wearing a mask in public is a good way to minimise the risk. If you or your child feels unwell. Please get tested - drive through testing available at Central Reserve Colac 9am- 4.30pm. You can preregister on 0456691237. If you get tested – you must self-isolate until you receive the test results (if positive – please notify the Principal immediately) – Stay Safe. At school we are keeping safe by using hand sanitiser, keeping our distance (where practical) and all surfaces are cleaned on a regular basis.

The Importance of Reading **Improves results at school**

Kids who indulge in reading book and learning new things do better at school. They are more creative, open to new ideas, and develop empathy for others. For instance, kids who read about heroes idolize them, kids who love reading anatomy books dream of becoming a doctor, etc. They learn to empathize with characters in the books and want to be like them. Not only that, they learn valuable life lessons such as helping others and being kind. Moral codes such as goods things will be appreciated and evils punished take root in their minds too, as a result of which they learn to stay away from trouble.
