

# Remote Art & Craft Program!

Remote Learning

Newsletter 1, Term 3, 2020

Welcome to our first remote newsletter—a way for us to stay connected and informed and to celebrate our learning in art!

## What will remote learning in art look like?

All you need to do is follow these simple steps....

### STEP 1

- ◆ We will send your task to your classroom teachers
- ◆ They will share the task with you as either a PDF file, or on the SeeSaw app if your school is using it

### STEP 2

- ◆ Read the instructions
- ◆ Have a look at the images that we have included
- ◆ If there is a link to an instructional video, you can watch it as many times as you like to be familiar with the skills you need
- ◆ Work on the task—you will have 2 weeks per task so it doesn't have to be done all at once
- ◆ Try your best and have fun!

### STEP 3

- ◆ Share your work with us!
- ◆ If you can scan or take a picture of your work, we would love to see it!
- ◆ If Mrs Williams is your teacher, send to [Donna.Williams@education.vic.gov.au](mailto:Donna.Williams@education.vic.gov.au)
- ◆ If Ms Jess is your teacher, send to [Jess.Parker@education.vic.gov.au](mailto:Jess.Parker@education.vic.gov.au)

## TERM 3 FEATURE ARTIST: BEN BAREK

Our inspiration this term comes from the work and methods of Melbourne Street Artist Ben Barek. He is a Melbourne-based urban artist who works with street murals, wheat-pasting and stickers, injecting life into overlooked places and spaces. Celebrated for his other-worldly characters, his stylised works take form on canvas, in sculptural pieces and in re-worked vintage paintings, prints and advertising. Barek is skilled in acrylics, ink, watercolour and sculptural installations. His work can be seen locally in Melbourne, interstate and around the globe; in streets, galleries and private collections. We will discuss how we can be inspired by his work in each newsletter.
