

Welcome to Art Newsletter 4 for Term 3 Remote Learning. Mrs Williams and I both hope that you are all able to enjoy the lovely sunshine that is coming!

**MORE AMAZING MANDALAS....** I can't help myself, here are some more Mandala art works from Task 1....I am truly impressed by all of the creative work everyone is making!

## TASK 2—WEEKS 7 & 8— HAND TRACING/FOUND

**OBJECT CREATIVE DRAWING!!!!** The idea with this task is to either make an interesting shape with your hand, to trace it, and then to create something out of the shape. Or you could use a found object. Street Artists often use this clever technique to incorporate items in the street into their artworks, like this amazing example! If you would like some more inspiration like this art work, Google search 'found object street art'. We can't wait to see what you come up with!
