

Welcome to Art Newsletter 3 for Term 3 Remote Learning. Mrs Williams and I both hope that you are all happy and well and staying warm and cosy!

AMAZING MANDALA DRAWINGS

It was amazing to be emailed all of the fantastic responses to Task 1—Mandala Drawing. Everyone did such a detailed, creative job!...

TASK 2—WEEKS 7 & 8— CREATIVE DRAWING!!!!

The next remote learning task will be uploaded to Seesaw in the coming days. This task will be lots of fun and allow you to really use your imaginations. As always, there will be inspirational pictures and lots of 'how

to' instructions on Seesaw. Without giving too much away yet, you will be encouraged to work imaginatively to discover the many and varied shapes that can be made using either your hands or found objects (or both!) as inspiration for your next artwork. The image above is a little hint at something that you might like to try. We are very excited to see what you create if you have time.

DON'T FORGET.....

SHARE YOUR WORK WITH US!

- If you have an ipad or iphone, take a pic and send it through to Mr Douma and he will email it to me!
- Have fun!! :)
