### Honesty

#### 10 Tips to being more truthful

1. Make a commitment to tell the truth and honour it
2. Tell someone about your commitment and progress
3. Think before you give a dishonest answer, explanation or reason.
4. Be careful of when and how you use exaggeration, sarcasm or irony
5. Be careful not to twist the truth or leave out part of it
6. Don't indulge in little white lies; don't get caught up in cover-ups
7. Watch out for silent lies. When you know about a lie and keep it quiet
8. When you catch yourself lying, throw your mouth into reverse and tell the truth
9. Talk to yourself quietly and ask what is the best thing to do
10. Treat yourself to something special when you tell the truth even when it's so hard

**The school playground** is open! It is available to the public after school hours.
