NEWSLETTER

Welcome to the 2022 School Year

Free rapid antigen tests

Free rapid antigen tests will be available for the first four weeks of Term 1 2022.

Testing is **strongly recommended** twice a week for students and staff.

You do not need to buy your own RAT kits. The school has provided them.

After doing the tests at home, if it is positive, you will need to:

* let the school know

* keep your child at home for 7 days.

*Contact the Department of Health via the COVID-19 Positive Rapid Antigen Test Self-Reporting Form or call centre on 1800 675 398.

Parents / carers coming inside buildings need to check in via the QR Codes displayed at the entrance to the school. There is no need to check in if you are coming on to school grounds to collect your child/ren.

o We ask that parents / carers avoid entering classrooms as much as possible.

Please

ask a staff member if you need to retrieve something from a classroom. We would be happy to help.

o Parents / carers who are unvaccinated will be **unable** to enter any building at this stage

COVID-19 vaccinations are not required for students to attend school, but vaccination for students is an important topic for you to discuss and act on.

School council elections are almost here... The following member is at the end of their term of office- Erin Kent (Parent Rep) Hence there is 1 Parent reps' vacancy. Notice of election will be sent out next week.

Quote of the week

We all have the same potential to be a good person or a bad person.

It is important to promote the good side and try to reduce the negative.

In the short term, you might get some kind of satisfaction from the negative side, but in the long run it always brings some kind of unpleasant experience
