Welcome to the 2024 school year.

We are thrilled to welcome you and your children, to the beginning of the 2024 school year at Carlisle River Primary School. We look forward to an exciting and successful year of learning and exploration. In the first term, we will explore the Otway Ranges & surrounding areas, delving into the rich history of native flora, fauna, and indigenous cultures that have thrived in the area for thousands of years. Students will actively participate in decision-making processes during our visits.
